Note:

All courses for our [Hague Package](#) are accessible.

\* Most content is delivered via audio narration. Full transcript of narration is available via the Notes tab on each slide. You can view/read the transcript while viewing the slide.

\*\* All of \*, plus: Video transcripts also appear in the Notes that can be seen while slide is up.

\*\*\* No audio narration. There are videos and they are transcribed, but the transcripts are found on the lower left hand corner of each course. Click on the pencil and the "Transcript" of the video will come up.

\*\*\*\* Most of the course is accessible. There are several instances where you are asked to listen to sounds such as sirens, ringing phones, etc and think about how your child might react to these new sounds. This exercise is not accessible to the hearing impaired but can be skipped over and constitutes only a small portion of one lesson in a large course.

\*\*\* \*\*No audio narration. There are some audio clips and they are not transcribed

\*\*\* \*\*\*No audio narration. There are some audio clips and the transcript is available under the clip.

Note: Only courses **NOT** accessible are ALL 3 of the China courses. Also **NO** webcasts are accessible.
